AUBURN HILL  
SENIOR LIVING

Hello Auburn Hill Residents, Families, and Friends!

I hope this letter finds everyone well and you are finding time to enjoy your summer! We are so happy that we can continue to have visitation here at Auburn Hill, what a difference it makes!

I do not have any changes to our COVID protocol at this time. Please continue to wear masks while in the community, once you are in the apartment or outside, masks can be removed if all parties are vaccinated.

We had our first outing with AL residents this week, a picnic at Sunday Park! So many were interested in this outing that we are looking at another day to add so those who missed out can go. The picnic outing for Innovations/Memory Care residents will be next Wednesday.

As a reminder, for Father's Day weekend, there will be ice cream treats available during your visit. Please make sure to grab some on your way to your apartment visit with your loved one.

Our Team Member of the Month is Denise Niemoeller! Denise works in housekeeping, as a concierge, and as a direct care team member. She adds a personal touch to every resident and family member she interacts with and is a true team player. Please take the time to congratulate her! We are proud and happy to have her here on our team!

I maintain we have the best residents, families, and team members around! This last year has been quite a challenge and although we are not 100% through, we are light years ahead of where we were. The level of support and patience has been truly amazing.

Should you have any questions or concerns, please do not hesitate to let us know.

Thanks and Take Care,

Kelly Carter

Executive Director
