

AUBURN HILL
SENIOR LIVING

October 29, 2021

Hello Auburn Hill Residents, Families, and Team members!

Happy Friday, here are some updates from Auburn Hill! As a reminder, Family Care pharmacy will be here on Wednesday 11/3 at 10am for our COVID booster clinic. Attached is a copy of the consent form, the highlighted fields is all that we need completed by the resident or responsible party if needed. We will be working on collecting these the beginning part of the week prior to our clinic. Please let us know if you have any questions.

The podiatrist was here this week, and due to the volume, he was not able to see everyone. However, they have planned to return next week. If you have any questions about scheduling or services, please let Tammy or Julissa know.

We will plan to offer Thanksgiving pumpkin pie and coffee visits for the month of November. Attached is a flyer, and you can schedule your visit at the front desk. We will be working as a team to come up with some ideas for Christmas and will send out communication once plans have developed.

I wanted to let you know that our employee of the month is Steave Clements. Steave is a dining assistant here at Auburn Hill. He is friendly, very knowledgeable of the residents' preferences, provides excellent customer service and is always smiling. He has endured the staffing challenges and always manages to put the residents first. We are so happy to have him on our team here! We get quite a few compliments from the residents, and team members, please congratulate Steave on a job well done!

Our HEART of the month is Danyelle Tobias. Danyelle is our activities assistant. Her kindness, and positive energy radiates on both Innovations and Assisted Living. We are happy to have her on our team, please congratulate her when you see her!

As always, thank you for your patience and understanding. We never thought we would still be dealing with anything COVID related after all this time, but here we are. Your support means a lot to us. Please let us know if you have any questions.

Thanks

Kelly Carter, Executive Director
