

AUBURN HILL  
SENIOR LIVING

November 24, 2021

Hello Auburn Hill Residents, Families, and Team members!

I wanted to send some updates from Auburn Hill. After review and much discussion about upcoming Christmas plans, we have decided that to maintain COVID precautions, we will be offering Christmas cookies and hot chocolate in the private dining room for residents and loved ones to enjoy during special visits. This will be available throughout the month of December. Please contact the concierge at 804-456-4455 to schedule this, so that we can be sure the treats are ready when you arrive.

I am happy to announce that Kenneth Zuhone will be our new Director of Environmental Services. Ken (yes, another Ken!) will be joining the team on December 6<sup>th</sup>. Ken comes to us with years of experience with environmental services in various settings, including senior living communities. Please join me in welcoming him as you see him in your travels. We are excited to have him on our team!

Attached is a letter regarding our resident holiday fund. Please take the time to review it and consider making a donation for employee appreciation. Should you have any questions, please feel free to reach out to me. Thank you for your consideration. Please note that in order to have individual gifts ready for the team members, any contributions need to be received by 12/3.

Most importantly, I wanted to take this opportunity to wish all of you a Happy Thanksgiving. I am thankful for the wonderful residents, families, and team members that we have here with us at Auburn Hill. I hope that this Thanksgiving is a happy and healthy one for all of you. Thank you again for your ongoing support and for being a part of Auburn Hill.

Thanks

Kelly Carter, Executive Director
