

AUBURN HILL
SENIOR LIVING

May 31, 2022

Dear Residents, Families and Team Members of Auburn Hill Senior Living,

We wanted to send you an update on our COVID status here at Auburn Hill. We were informed of a resident exposure to COVID which resulted in a positive test result and subsequently additional testing in the community. Unfortunately, we have 3 Assisted living residents who have positive results for COVID-19. All residents are asymptomatic and are on isolation. Families of the residents have been notified.

All Assisted living residents have been tested at this point. We will be testing identified employees as well. We will plan to test again on Friday. The department of health has been notified and we will follow any additional guidance given.

All visitors and employees are required to complete the COVID screening at the front desk. Masks must be worn in the community. Please do not visit if you are experiencing any signs or symptoms of COVID.

Please let us know if you have any questions or concerns. We will continue to communicate any additional updates.

As always, thank you for all of your support and being a part of the Auburn Hill family. Please do not hesitate to contact us with any questions.

Thank You,
Kelly Carter, BSW, LNHA
Executive Director, Auburn Hill
