

AUBURN HILL
SENIOR LIVING

June 13, 2022

Dear Residents, Families and Team Members of Auburn Hill Senior Living,

Sharing an update on our COVID status here at Auburn Hill. Testing was conducted today for residents residing in Assisted Living. We have 3 additional AL residents with positive results. Families have been notified. We have 2 additional team members with positive results. We will plan to schedule another round of testing for our Assisted Living residents.

We remain in contact with the department of health and will follow any additional guidance given. At this time, we will continue with suspended communal dining and group activities. We will continue to screen residents daily for signs and symptoms of COVID.

If you do visit, please limit the visit to the resident apartment. As a reminder, visitors and employees are required to complete the COVID screening at the front desk. Masks must be worn in the community. Please do not visit if you are experiencing any signs or symptoms of COVID.

Please let us know if you have any questions or concerns. We will continue to communicate any additional updates.

As always, thank you for all of your support and being a part of the Auburn Hill family. Please do not hesitate to contact us with any questions.

Thank You,
Kelly Carter, BSW, LNHA
Executive Director, Auburn Hill
