

AUBURN HILL  
SENIOR LIVING

June 3, 2022

Dear Residents, Families and Team Members of Auburn Hill Senior Living,

We wanted to send you an update on our COVID status here at Auburn Hill. We have completed retesting today. Unfortunately, we have 9 additional residents in Assisted Living and 3 team members with positive results for COVID-19. Families of residents with positive results have been notified. COVID positive residents and team members are on isolation.

The department of health has been notified. We will be suspending communal dining and group activities until we receive results from additional testing of the middle of next week. We will continue to screen residents daily for signs and symptoms of COVID.

We will not be suspending visitation. We do ask that visitation take place in the residents' apartment. As a reminder, visitors and employees are required to complete the COVID screening at the front desk. Masks must be worn in the community. Please do not visit if you are experiencing any signs or symptoms of COVID.

Please let us know if you have any questions or concerns. We will continue to communicate any additional updates.

As always, thank you for all of your support and being a part of the Auburn Hill family. Please do not hesitate to contact us with any questions.

Thank You,  
Kelly Carter, BSW, LNHA  
Executive Director, Auburn Hill
