

AUBURN HILL
SENIOR LIVING

July 25, 2022

Dear Residents, Families and Team Members of Auburn Hill Senior Living,

We wanted to send you an update on our COVID status here at Auburn Hill. We have one Assisted Living resident with COVID-19 positive test results. The family has been notified. We have tested additional identified residents and we do not have additional cases. We will conduct testing again later this week for the identified AL residents and for our Memory Care residents, and as our COVID screenings indicate.

As a reminder, visitors and employees are required to complete the COVID screening at the front desk. Masks must be worn in the community. Please do not visit if you are experiencing any signs or symptoms of COVID.

Please let us know if you have any questions or concerns. We will continue to communicate any additional updates.

As always, thank you for all of your support and being a part of the Auburn Hill family. Please do not hesitate to contact us with any questions.

Thank You,
Kelly Carter, BSW, LNHA
Executive Director, Auburn Hill
