

AUBURN HILL  
SENIOR LIVING

September 9, 2022

Dear Residents, Families and Team Members of Auburn Hill Senior Living,

We wanted to send you an update on our COVID status here at Auburn Hill. We have conducted additional testing with identified residents. We currently do not have any additional residents with positive results. We have one additional team member with positive results.

We look forward to those of you who will be joining us for family bingo on Sunday at 2:00pm, and our "Milkshakes and Memories" on Monday at 2:45pm to celebrate Assisted Living Week!

We will be having our flu vaccine clinic on September 21<sup>st</sup> starting at 10:00am. There are consent forms available at the concierge desk. If you have any questions, please let us know.

As a reminder, visitors and employees are required to complete the COVID screening at the front desk. Masks must be worn in the community. Please do not visit if you are experiencing any signs or symptoms of COVID.

Please let us know if you have any questions or concerns. We will continue to communicate any additional updates.

As always, thank you for all of your support and being a part of the Auburn Hill family. Please do not hesitate to contact us with any questions.

Thank You,  
Kelly Carter, BSW, LNHA  
Executive Director, Auburn Hill
