

AUBURN HILL
SENIOR LIVING

December 12, 2022

Dear Residents, Families and Team Members of Auburn Hill Senior Living,

I wanted to share with you that we have one Assisted Living resident with COVID positive results. We have tested identified residents in AL and we have no additional positive results. We will retest these individuals in 5-7 days and we will screen residents daily for any signs and symptoms of COVID. Masks are required while in the community at this time.

If you are experiencing symptoms of illness, we ask that you refrain from visiting the community until your symptoms have resolved.

As a reminder we will be offering a COVID booster clinic on December 19th at 1:30pm. We now have consent forms available at the front desk. If you are interested, please notify the Concierge desk at 804-456-4455.

As always, please let us know if you have any questions. Thank you for your support and for being a part of Auburn Hill!

Thank You,
Kelly Carter, BSW, LNHA
Executive Director, Auburn Hill
