

July 3, 2020

Hello again to our Auburn Hill Friends and Families!

I have another update regarding testing here at Auburn Hill. I spoke with someone from the National Guard today. They are working on scheduling our community testing for July 13th. I have been told that we will be assigned a team leader and I should expect to hear from them sometime after the holidays about the time frame, testing kits, and overall details of the process. Should anything change, I will let you know. Once I have more details about what the testing day looks like I will send out some communication to you all.

Again, thank you for all of your patience and support. It's hard to believe we started this journey back in March and remain on it! If you have any questions please do not hesitate to reach out to me at [804.250.5740](tel:804.250.5740).

Thanks,

Kelly Carter
