

AUBURN HILL  
SENIOR LIVING

February 1, 2021

Hello Auburn Hill Residents, Families, and Team!

Just a little update to let you know that we have now received all test results from the last round of testing and we do not have any additional positive residents at this time.

With guidance from Virginia Department of Health (VDH), we will begin a certain percentage of team members and residents this week and will continue for the next 4 weeks. This will also be dependent on any changes with the guidance, and/or changes to our COVID status here at Auburn Hill. We will start by including residents and employees from the same floor of our current resident with positive results.

As always, we will keep you posted on results and any changes to our current plan. We appreciate all of the support and appreciation you have shown. I am hopeful that we will be able to spend some time with everyone here at Auburn Hill in 2021.

We look forward to another successful vaccination clinic on Wednesday!

Please let us know if you have any questions or concerns and stay safe!

Thanks,

Kelly Carter, Executive Director
