

AUBURN HILL
SENIOR LIVING

December 18, 2020

Dear Auburn Hill Residents, Families, and Team.

As the holidays are upon us, we hope everyone is staying healthy and safe.

I wanted to give you a quick update on our status here at Auburn Hill. As you know, we conducted another round of testing for team members and residents this week. As of right now, we do not have any positive cases to report. We currently have 8 team members test results and 2 resident test results pending.

In the event that we do have a positive result, individuals will be notified directly, and additional communication will be sent out to everyone. Please keep your fingers crossed and keep sending good thoughts our way!

We are hoping to receive communication from CVS pharmacy over the next week or two regarding vaccination clinic here at Auburn Hill. Next week we will be reviewing the consent process and will be in contact with everyone.

I hope that everyone has a great weekend! A special thank you for your ongoing support, your patience and the Christmas goodies!

As always, if you have any questions, please feel free to contact us.

Thank You and Take Care,

Kelly Carter, Executive Director
