

September 4, 2020

Hello Auburn Hill Residents, Families and Friends!

I wanted to take the opportunity to provide you with some updates. As you know, we have resumed to lunch in the dining room with two sittings and one activity. We are so happy to be able to provide more socialization for everyone here.

With that said, starting next Tuesday (9/8), we would like to resume all three meals in the dining room. We will also be utilizing space in the pub and the private dining room. There will be one sitting for each meal. We are looking forward to returning a piece of a “normal” routine here at Auburn Hill. In addition to this, we will be adding on another activity. So there will be 2 activities scheduled twice a day for residents to sign up for.

The next couple of weeks will determine what other restrictions are lifted. We are exploring the possibility of opening the salon pending no changes to our COVID status at the community. We are also exploring the possibility of visits within the community. Although we will not be at the point where visits can occur in the residents apartment, we are looking at options for a more centralized place in which visits can occur with the residents. It will be important for us to be able to manage and mitigate traffic flow, in addition to tracking visitors and for monitoring purposes.

Again, I know that none of us dreamed that this would be as long of a process as it has been, but it is in the best interest of our community to take it one slow step at a time in order to keep everyone safe.

Please continue to schedule your visits, it is nice to see your friendly faces! And as a reminder, video chats remain an option as well.

I wish all of you a Happy Labor Day weekend and as always, thank you for all of your support. Please do not hesitate to reach out to me with any questions or concerns.

Take Care,

Kelly Carter, Executive Director
